

Are you a bookworm? Worksheet

Data on Book Genre Choices taken from CensusAtSchool questionnaire 2003/04 at www.censusatschool.org.uk

	Males	Females
Adventure	2274	2007
Crime	1066	392
Factual	372	88
Fantasy	1087	589
Horror	1961	1754
Other	831	750
Real Life	478	1981
Romance	120	1025

TASK A

Use this data to draw comparative pie charts, using **percentages**, to show differences and similarities between males and females who completed the CensusAtSchool questionnaire 2003/04.

TASK B

Write a few sentences about what you notice. Remember, label your pie charts with 'genre' and 'percentage' and carefully use colour to distinguish the segments. (Imagine what it would look like if you printed in black and white)
