

Travelling to School in Kent

Have a look at the two pie charts below. They show the way year 6 and 7 pupils travel to school in Kent.

How a sample of Year 6s travel to school in Kent

How a sample of Year 7s travel to school in Kent

1. Describe the differences between the pie charts.
2. Why do you think these differences occurred?
3. What do you think the 'other' forms of transport are?
4. What do you think the pie chart for year 6s might have looked like 100 years ago?
5. Below is a pie chart showing how all South African learners get to school, taken from their CensusAtSchool in April 2001. Discuss the differences between Kent and South Africa.

How South African Learners travel to school
